In the event that this Paper is late filed, and the necessary petition for extension of time is not filed concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper, to Account No. 06-1378.

S I R :

Submitted herewith are copies of the documents identified on the attached form PTO/SB/08A. It is respectfully requested that the Examiner return an initialed copy of the attached form PTO/SB/08A to confirm that the documents listed therein have all been considered and made of record.

Also submitted herewith is a copy of the International Search Report (ISR) dated December 3, 2002, which was issued in the International application of which the present application is a Continuation.

The ISR is in English language, thereby satisfying the requirements for a concise explanation of relevance for any non-English language publications cited therein (MPEP 609 III A(3)).

Commercially available English Language Abstracts are provided for each of the Japanese documents submitted herewith.

Japanese 8-40748, 8-119676 and 8-122501 were all cited in the ISR.

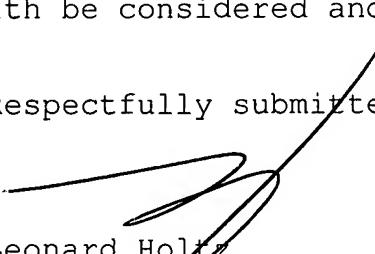

Japanese Patent No. 2,698,218 is identified at page 3, line 5 of the present specification, and is discussed in the introductory portion of the present specification.

Japanese Patent No. 2000-267086 is identified at page 3, line 6 of the present specification, and is discussed in the introductory portion of the present specification.

Japanese Patent No. 2901833 is identified at page 5, line 17 of the present specification, and is discussed in the introductory portion of the present specification.

It is respectfully submitted that the discussion in the present specification, and the English language Abstracts submitted herewith, constitute an explanation of materiality, as required by the USPTO. It is respectfully requested that the documents submitted herewith be considered and made of record.

Respectfully submitted,

Leonard Holtz
